GUSTAVUS, ALASKA PRE DEPARTURE INFORMATION

Thank you for your participation in Alaska Mountain Guides Sea Kayaking trips. The following information is included to help you with trip planning and travel arrangements.

The easiest way to get to Gustavus is via Juneau, the state capital. From Juneau there are many daily flights with local commuter airlines that make the short trip to Gustavus. Alaska Airlines also flies to Gustavus.

We ask that you arrive the evening before your trip starts, and it's often easiest to stay in Gustavus the day your trip ends. If you are unable to schedule your travel to arrive the evening before, please contact us and we will be happy to make other arrangements. On the other side of the page there is information to help in making travel and accommodation arrangements.

We will meet you at your place of lodging the night before the trip to go over equipment, itinerary, questions, and expectations there.

We will return in the late afternoon on the last day of the trip. Generally guests **spend the last night in Gustavus** before returning home or embarking on their next adventure. If you have a specific time you need to be back in Gustavus, please let us know.

Please remember to send us your travel and lodging information when you book your arrangements.

Don't hesitate to contact us if you have any questions, or, if you would like any additional information.

We look forward to having you join us!
