

Haines, AK Pre Departure Travel Information

Thank you for your participation in an Alaska Mountain Guides trip. The following information is included to help you with trip planning and travel arrangements.

The easiest way to get to Haines is from Juneau, the state capital. Alaska Airlines has daily scheduled flights from Seattle; flight time is about 1.5 hours. From Juneau, a 35 minute local commuter flight will bring you to Haines. Air Excursions and Wings of Alaska have multiple flights per day. We can also arrange for a scenic chartered flight if you would like to see more of the Lynn Canal or beyond by air on your way to Haines. Additionally, the Alaska Marine Highway System offers ferry service from Juneau to Haines; this trip takes about 4 hours. Sailings are frequent, but less regular than flights. Please forward along your travel itinerary as soon as possible so we can make the appropriate pick-up/drop-off arrangements.

We ask that you arrive the evening before your trip starts, and it's often easiest to stay in Haines the day your course ends as well. If you are unable to schedule your travel to arrive the evening before, please contact us and we will be happy to make other arrangements.

We will meet at our office for a pre-trip meeting at 6:00pm (unless otherwise noted) the night before your trip starts. Bring your backpack and gear; we will go over equipment, itinerary, questions, etc. The office is located at 57 Mud Bay Road at our Expedition Center and the Mountain View Inn. Our hours are from 8:00am to 6:00pm, 7 days a week.

The next morning we will meet at 9:00am (unless otherwise noted) to begin our trip. You should plan on eating breakfast before the meeting. Extra baggage can be stored in our onsite warehouse.

TRAVEL INSURANCE

Travel Insurance: We highly recommend travel insurance. In many case travel insurance will cover medical expenses, evacuation costs, lost baggage, travel delays, and other costs in the event you need to cancel your trip. We have worked with almost every provider of travel insurance and feel strongly that the Adventure Travel Protection Plan from AIG/Travel Guard is the best one available. It is one of the only plans that covers high altitude climbing and has significant benefits if purchased within 15 days of making your trip deposit. Details can be found on our website at http://alaskamountainguides.com/?page_id=226

Please contact us if you have any questions, or, if you would like any additional information.
