The easiest way to get to Gustavus is via Juneau, the state capital. Alaska Airlines has daily flights scheduled from Seattle with flight time being about 1.5 hours. Alaska Airlines also flies to Gustavus along with the many local commuter airlines that make the short flight from Juneau. We can also arrange for a scenic chartered flight if you would like to see more of the Lynn Canal or beyond on your way to Gustavus.

Another travel option for getting to Gustavus is the Alaska Marine Highway System. The ferry runs bi-weekly from Juneau during the busy summer months and takes about 4 hours.

Please forward your travel itinerary as soon as possible so we can make the appropriate pick-up/drop-off arrangements.
